

Key Messages to DCC from Environment and Climate Change WG

Chair: USAID

Co-Chair: UNDP

KEY OPPORTUNITIES IN THE SECTOR FOR DCC TO KNOW

- National Adaptation Plan drafting process (UNDP, FAO and other DCC members);
- Establishment of the Measurement, Reporting, and Verification (MRV) System for NDC Implementation;
- Improve solid and water waste management practices;
- Increase the country's resilience and adaptation to climate change;
- Preservation and conservation of biodiversity.

1

KEY CHALLENGES IN THE SECTOR

CGIAR

- Lack of resources and capacity for the NDC implementation Plan (including mitigation and adaptation measures)
- High risks of ecological threats and vulnerability to climate change

2

ACTIVE DEVELOPMENT PARTNERS

USAID, UNDP, ADB, FAO, AKF, ACTED, GIZ, WB

3

KEY GOVERNMENT COUNTERPARTS

- Committee on Environmental Protection,
- Tajik Forestry Agency,
- Ministry of Agriculture,
- Ministry of Energy and Water

WHAT YOU THINK IS IMPORTANT TO MENTION
