- 
1. Nematov Ramazon head of Kulyab zonal CoES made an opening speech and reviewed about the last REACT meeting. And the participants introduced themselves.
  2. Participants of the meeting discussed on the actions of the last REACT meeting. They mostly paid attention to the working plan of the REACT meeting. But the working plan is not yet ready. It was proposed as soon as possible send their ideas and proposals to Zubaidullo Karimov.
  3. Davlatov the chief doctor of Epidemiological center of Kulyab zone briefed on hemorrhagic fever and said that first time hemorrhagic fever case in Tajikistan was registered in 1945. This year it is registered 5 cases of hemorrhagic fever case in Kulyab zone. 4 of them cured in Kulyab hospital and 1 on them now is in the hospital of Dangara district. According to the doctors information now this patient is in a good state of health.  
Davlatov gave complete information on hemorrhagic fever and mentioned that one can infect by hemorrhagic fever from animals, rats, mice and infected people.  
Each year in Kulyab zone it registers 3 – 7 hemorrhagic fever cases.  
For reduction of hemorrhagic fever risk epidemiological center is conducting awareness building among doctors of the villages and Kulyab town.

4. Zubaidullo Karimov shared his ideas on preparation for International Risk Reduction Day. He proposed the partners to conduct this event in common. The representatives from Caritas, ACTED and WFP will decide this proposal and in the nearest day will inform the focal point of REACT. Mission East according to their working plan in this day will conduct evacuation exercise in jamoat of Ziraki, village Chokhtemur.
5. The participants of the meeting briefed on 15<sup>th</sup> anniversary of CoES of Tajikistan and decided to be more prepared for conducting this kind of events and prepare banners and stands.
6. Program coordinator of Caritas Naimov Alokxon and a new coordinator of Natural Disaster Risk Reduction project of Caritas Bakhtiyor Zuhurov introduced themselves to the participants.
7. The focal point of REACT suggested the partners to prepare presentations on their project activities in 2008 – 2009 and present it in the next meetings.

**Next meeting is scheduled on 24<sup>th</sup> of September 2009 at 10<sup>00</sup> in CoES office.**
