

Комитет по Чрезвычайным ситуациям и Гражданской Обороне
при Правительстве Республики Таджикистан и Программа по
Управлению Риском Природных Катастроф ПРООН в Таджикистане

January 21, 2011. 10:00 – 11:45
Headquarter of Emergency Situations and Civil Defense in Sugd region

Chairman: Mr. Ismailov I - Chief of Headquarter of Emergency Situations and Civil Defense in Sughd region

Participants: REACT partners in Sughd

1. Opening Remarks of Mr. Muzzayanov H - the deputy chief of headquarters of Emergency Situation and Civil Defense in Sugd region. (5 minutes)

Mr. Muzzayanov greeted all REACT participants to the meeting in Sughd region and said that he was officially pointed out as a responsible person for the work of the group REACT in Sughd region by the Headquarter of Emergency Situations(ES) and Civil Defense(CD) in Sugd region.

2. Overview of information about emergency situations in the territory of Sugd region for December 2010 - January 2011 (5 min). Muzzayanov H.-the deputy chief of headquarter of Emergency Situation and Civil Defense in Sughd region. (5 minutes).

According to the information of the Headquarters of ES and CD in Sugd there were recorded three emergencies, there was a car accident because of icing-covering of the roads in Shahrstan. As a result of which one person died and 6 were wounded.

3. The presentation of the National Strategy for Disaster Risk Management 2010 -2015 and the National Platform for Disaster Risk Reduction - Usmanov I.D. - National Consultant UNDP DRMP (50 min)

In his presentation Mr Usmanov I. said that for about 2 years, UNDP and the CSF worked well with interested and responsible parties and government agencies to develop national strategies for disaster risk. He also noted that the decision of the Government of Tajikistan, in December 2010, this strategy was adopted. This document reflects the main priorities for disaster risk management in Tajikistan up to 2015. It was noted that in order to provide effective implementation of the approved strategy, there was decided to establish a National Platform for Disaster Risk Reduction, which is still under investigation. From the participants sight, including the Headquarter of ES and CD in the Sugd region was suggested to disseminate government-approved National Strategies to the wide organizations through the Internet and print products.

4.The presentation of the group of REACT of Kulyab zone - Karimov Z., responsible person for the REACT in Kulyab zone (15 min)

From the organization Oxfam there was a presentation about the works of the group of REACT Kulyab in Tajikistan. During his presentation, Mr. Karimov has shared his experience in emergency response members of REACT in Kulyab. It was also noted that the involvement of mass media and NGOs in Kulyab was quite weak. The Partners of REACT group in Sughd region also shared their experiences on effective media involvement in REACT groups and solving the emergency problems

Disaster Risk Management Program

in the region. It was also noted that such visits should be placed regularly for experience exchange between REACT groups in Tajikistan.

5. The presentation of Magazine "EkoSodruzhestvo: Best practices for disaster preparedness and adaptation to climate change," Suleimanov E. - chief editor and Mamadov I – Program Coordinator of Emergency Situations and Adaptation to Climate Change YGPE (10 min)

Mr. Suleymanov announced that, since December 2010 GS «YGPE» with the support of the Act Alians there has begun preparing and issuing a quarterly illustrated magazine Eco Commonwealth - "Best Practices on Emergency Situations and adaptation to climate change." He called REACT partners to cooperate in the preparation of this magazine, and providing information about the best practices of organizations in Sughd region. Several partners were immediately interested in providing information materials for the publication of this magazine, and the first magazine was published in December 2010.

6. News from the partners / approving the work plan of REACT in Sughd region in 2011 - Prudtskih D. - responsible person for REACT in Sughd region (10 min)

In his speech, Mr. Prudtskih informed the participants that in December 2010 there was planned an annual work plan jointly with partners of REACT in Sughd region. The plan includes joint activities of several REACT partners, individual activities, trainings and exercises. During the discussion, by a vote, the plan for 2011 was approved by a majority of the members of REACT in Sughd region.
